

MONTPARNASSE TOWER PANORAMIC OBSERVATION DECK

Discover the beauty of Paris by day and by night

**56 floors up, at a height of 196 metres:
discover Paris**

Admire all the famous monuments and districts of Paris through the glass walls of this comfortable, modern viewing deck: the Eiffel Tower, Les Invalides, Notre-Dame cathedral, Sacré-Coeur, the Luxembourg gardens, the Louvre, the Défense district, etc.

There are all sorts of interactive displays to help you explore Paris, such as augmented reality panoramas, interactive kiosks and quizzes, an exhibition of archive photos of Paris, and more!

Don't leave without visiting the souvenir shop and the 360° Café, the highest panoramic bar in Paris and a great place to stop for a treat.

**+ 1 million
satisfied visitors**

With over a million visitors per year, and a million satisfied Tripadvisor customers, Montparnasse Tower Observation Deck is one of the 15 most visited sites in Paris. According to a 2015 report**, the visit is exciting, offers great content and is really good value – what more could any tourist want?

**Outdoor terrace, at a height of 210 metres: a
spectacular 360-degree view**

The terrace was specially designed to make the very most of this unparalleled view of Paris: on a fine day you can see for up to 40 km!

In summer, enhance this unforgettable experience with a little something from the Champagne Bar*.

The changing light gives each moment of the day its own special charm: the early morning romance of the Eiffel Tower, the beauty of a Paris sunset, and the "Paris by Night" illuminations.

Open every day throughout the year
